Class 5—1 Chronicles

Discussion Questions

1. Recorded in chapters 1-12 of 1 Chronicles are numerous genealogies and various lists of people. The Holy Spirit has taken great care in preserving these names. What spiritual application might there be in this for us?
2. The books of 1 Samuel through 2 Kings are mainly a political history of Judah and Israel. 1 and 2 Chronicles, on the other hand, provide more spiritual and positive history, focusing on the southern kingdom. This can be seen in the account of David bringing the ark to Jerusalem. The book of 2 Samuel gives 23 verses to the story (2 Samuel 6). The book of 1 Chronicles devotes 86 verses to the event (1 Chronicles 13, 15, 16). What in the 1 Chronicles account of the ark coming to Jerusalem caught your attention? Does your insight have any application for us today?
3. 1 Chronicles 17:16-27 records on of David's great prayers of praise. What was the occasion of the prayer? Would you agree that we as Christians have similar reasons to give praise to God? If so, pause and pray David's prayer back to God, applying it to your own life.
4. Another example of the different emphasis between 2 Samuel and 1 Chronicles is that in the latter there is no record of David's adultery with Bathsheba or his murder of Uriah. Where in the story of David's life as recorded in 1 Chronicles would you have expected to find these events?

Bible Survey II

Class 6—2 Chronicles

Discussion Questions

1. In 2 Chronicles 1, God makes a great offer to Solomon, saying, “Ask what I shall give you” (2 Chronicles 1:7). Solomon requested wisdom. What did God think of his choice? How much do you value wisdom? How is this shown by your life choices?
2. What events led to the manifestation of the glory of God in 2 Chronicles 7:1-3? Might God pour out His Spirit among us in a similar manner? What conditions might we need to meet?
3. Did you find many references in 2 Chronicles to Solomon’s many wives who led him into idolatry? How is this in keeping with the emphasis and purpose of 1 and 2 Chronicles?
4. Though a foolish decision split the kingdom in the early years of the reign of King Rehoboam, God blessed the years that followed (2 Chronicles 10-12). This changed with time. The Egyptians made Rehoboam and Judah their subjects. What happened? How might Rehoboam’s life be a warning to us?
5. One often quoted verse from this section is found in chapter 16:9: “For the eyes of the Lord move to and fro throughout the earth that He may strongly support those whose heart is completely His.” Explain the context of this popular verse.

Class 8—Ezra

Discussion Questions

1. Why do you think the old men wept when the foundation of the temple was laid (Ezra 3:11-13)? What application does this have for our lives?
2. What reason did Zerubbabel give for turning down the offer of assistance from the people of the land (Ezra 4:1-4)? Compare this to 2 Corinthians 6:15. What offers for assistance from people today should we, as Christians, decline?
3. Sometimes what appears at first as a trial ends up as a blessing from the Lord. Describe the trial recorded in Ezra 5 that Zerubbabel faced in building the temple. Then explain how this trial turned into a blessing, as recorded in Ezra 6.
4. Describe how Ezra reacted in chapter 9 when he became aware of sin among the Jews. Is this how you would want the elders to react to sin in the assembly? Is this how you react to sin in your own life?
5. Ezra is one of the great spiritual leaders of the Bible. List two positive character traits that you see in his life, explaining how he portrays each. Give references.
