

EXODUS

REDEEMED FROM BONDAGE IN EGYPT AND BROUGHT INTO A COVENANT RELATIONSHIP WITH GOD

Message #6, Exodus 2:23-3:10

God In The Foreground

Introduction

To the Jews – this would be known as “the bush” passage (Mark 12:26, Luke 20:37).

This passage marks a transition in the book of Exodus. God – who had been silent for so long – is now speaking.

- Covenants are taken seriously by God:
 - "Know therefore that the Lord your God, He is God, the faithful God, who keeps His covenant and His lovingkindness to a thousandth generation with those who love Him and keep His commandments; Deut. 7:9

God Answers in Holiness

We often fail to experience the holiness of God in our lives because of three basic problems¹

- Our attitude toward sin is more self-centered than God-centered.
- We have misunderstood “living by faith”.
- We do not take some sin seriously.
